

1480 Nashville Pike Gallatin TN, 37066

I would like to take this opportunity to invite you to become a member of the **Tennessee Chapter of the Association of Physical Plant Administrators (TNAPPA)**. Your membership allows you to network with individuals that experience similar issues and problems in their facilities. With tightening budgets, it is more important than ever to network with colleagues with similar problems across all educational facilities in our state, region (SRAPPA) and across the country (APPA).

Who are we? TNAPPA (Tennessee Association of Physical Plant Administrators) is the statewide association for all educational facilities professionals in Tennessee. Membership is open to all educational facilities professionals, including public and private schools, K-12 schools and districts, two and four year colleges and universities, technical universities, museums and parks, military installations, state and city-county governments, and business partners that serve educational facilities.

TNAPPA, SRAPPA, & APPA have countless training and educational resources available. We offer seminars and institutes tailored specifically for the facilities leadership team. Our Supervisor Toolkits and Drive-In workshops bring detailed training on a multitude of topics that directly impact technicians, custodians, and facilities management team. We provide you access to benchmarking data, publications, and industry trends, which assist in decision-making. Membership also provides substantial discounts and opportunities to help manage your day-to-day operations.

Having issues acquiring funding for training and continuing education for your staff? TNAPPA is here to help! TNAPPA offers annual scholarships to training events every year!

It has never been easier to join TNAPPA. Attached is the membership form. Join today!

The 2020 TNAPPA Conference will be hosted by Austin Peay State University in Clarksville, TN May 18 & 19, 2020. For more information about the upcoming TNAPPA 2020 Conference, visit our website at <http://tnappa.appa.org>.

Please join your colleagues and me across Tennessee in the best facilities tool available.

Kathy Johnson

TNAPPA, President

Director of Space Planning

The University of Memphis
